Madam:

Referring to your recent communication, I have to advise you that the above entitled soldier ^{filed} secured a claim for pension under the Act of June 27, 1890, on July 23, 1891, which was rejected July 13, 1892, on the ground that the soldier's alleged regiment was not in the United States service, and therefore the soldier never received any pension.

Respectfully,

ACD:fhm

Mr. G. C. Hines
General Director
Veterans Bureau

Dear Sir.

Though a true
As to respect & Love of my Father, who
served his Lot, with Locapies, by
being a soldier of the Civil war,
Between the North & South; As being
a Child at home, at that time, with
Lot, I yet have an undense feeling
that my Father, had never received
his Pension for which there were
Other soldiers who served in the
same war, who were drawing their
Pensions; My Father, who believing
that he was due his Pension, made
out his necessary Papers, as with
proof, which was approved at that
time, was sent direct to Washington D. C.

That it may carry a Thorough Examination
By whom at that time, it may be concerned
By being a Daughter, at home at the time.
of my Father's death, my Father said
to me that he was expecting his Voucher
at any time, as to advice of his pension
But I am stating at this present date
for time, that as for an understanding
of my Father's Pension, he did not get it
Now as any further Records, that
could carry a deeper advice, I at
this time, or any of the other children
cannot locate, in which we all have
loved to do so, Mr Stines, our family
has been informed, many times, since our
Father's death, as an investigation,
that we could draw back pay, as well
our Father's death, which occurred May
the 11th/91/ name G. W. Berry, enlisted from
the state of Missouri. Mr Stines, our
family will appreciate your help, if you can
look my Father's Records up, as to his pension
and let us know, just how things stand in respect
yours, ^{many} Thanks, Mrs Annie Blessing
