Dear Beryl.

What a nice surprise getting a note from you. Very kind thinking of sending your baby's hair - it could not have come at a better time. Morris is preparing for a special fishing excursion next weekend and has been tying flies for nearly two days. He made four out of Avril's hair and is very pleased with them as the hair is quite straight. It is fairly hard to get any that has

not been permed.

We had a glorious three weeks at Taupo. The weather was perfect - boiling hot which of course suited the lake enthusiasts. Gwynne has a truly wonderful time there as it is always teeming with young folk and they are never short of occupation.

He is doing School Cert this year and he has set his mind on being a Civil Engineer. This year's results will tell us whether there is any hope in that direction.

Morris sends his regards and asks me to enclose a fly for you. There are to be known as the
