Dear Phyl,

I was pleased to
receive your letter last week
I've got time to answer one
so here goes for you. The weeks
are all upset at present, but
they will sort out in time.
We now have a matron, we
expected a matron & got one
with two boys & a girl & a dog
but none were noisy & I think
the children are all at school
mostly the dog is outside & doesn't
bark much. The matron is a
Salvation Army & true to type
noisy & talks them ^{down} the folk
here but no doubt we will get
used to it. you will be able
to sit down to read this
my sight is lessening & soon I'll
not be able to write.

I went out to the farm
yesterday afternoon. Jules &
Barroll are having a house built &
the holidays are being spent-
there they are paying for two
places & hope to get in the new
one next month. They ~~are~~ will
need a holiday then. There
isn't much news or else I cannot
think so for this time you
will have read enough;
Will be pleased to see you
when you come down, hope
you are feeling better
Love to all
