

Coimbra, Faldun

April 9th 1795

Dear Phyl. just tidying up the letters etc.

I am feeling my old head

& neck & I got shingles too

Being April it is cold too

I will send you one just

any of the unexpected

I don't know if it is right or wrong

We have got a new Malton here

repletz with three of a family

2 boys & one girl all 8 & 10

A school dog likes to come in
& gets petted, I prefer cats they
don't have a tinkly leg - don't see
much of cat about. They are all
Salvation Army, and something
couldn't be found, talk about a

muddle. No more news this
time, my writing is off anyhow
& I cannot read this so
for this time no more
