

Thanks
from
BABY

Dear Annie Phil,

Thank you very much for
the money for Bronny. I have
bought one of those 'Mary Lee'
dolls, made out of wood - her
adorable. - I can remember we
had one when we were kids.

Bronny is growing so quickly -
they don't stay small for long
do they? I suppose when it
comes to the sleepless nights
it's a good thing. She sleeps
from about 9pm until 7am now -
dinner is in ready for bed
before she is - but not so many.

I hope you are feeling fit and
have had a good Christmas

and New Year. All the best
for 1975. Thanks again Annie
Phil

It Was
So Good
Of You!

Bye for now
Love
