

WHANGAREI, NORTHLAND, N.Z. Whangarei business centre with the railway curving around to the station. To the left is the Olympic Pool and Riverside. Marsden Point Oil Refinery in the distance.

This is where we were today, quite a good shopping city, but the pavements are very cruel to old feet.

We saw Ollie Coe, & Alice Hausen (Ole's wife) The flowers and gardens are lovely.

Saw the Waipua Museum which is most interesting

I hope you are all well including chickens & tawny & manjie much love
