To Mr. John Hanson

Dear Sir

I am in receipt of your postal note re Under the Palms Cantata, & I herewith send reply. We have none whatever. Mr. Clark borrowed from every one he could. & we found the same difficulty ^{to get enough} we returned every copy we had. That we know of. & The only place I think you will be able to get some will be from Mr. Dawson at Etetahuna as they are getting up the same Cantata for the opening of new Church for middle of October. There seems to be a big run on that piece of music & it is a pity that is such a scanty few in the market. We should be glad to let you have any provisions we had them.
