Dear Mrs Taylor,

Thankyou very much for the  
Stainless Steel Casserole Dish.

It is really lovely and already  
proving to be useful. Tonight's  
dinner is cooking in it.

If anything goes wrong at least  
this workman can't blame her tools!

It was lovely to see you at  
the wedding, and I hope it won't  
be long before we see you again.

Thankyou from us both.

Carolyn and Derrick
